

in the county or counties wherein such real and tangible personal property is located, together with an amount according to its proportion of tax value of any buildings and lands wholly or partially occupied by such banking associations, institutions, or trust companies, owned and listed for taxation by a North Carolina corporation in which such banking associations or institutions own ninety-nine per cent of the capital stock.

(3) In addition to the deductions allowed in item two of this section, there may be deducted from the items of surplus and undivided profits an amount not exceeding five per cent of the bills and notes receivable of such banking associations, institutions, or trust companies to cover bad or insolvent debts, investments in North Carolina State bonds, United States Government bonds, joint-stock land bank bonds, and Federal land bank bonds, at the actual cost of said bonds owned on and continuously for at least ninety days prior to the first day of April of the current year. The value of such shares of capital stock of such banking associations, institutions, or trust companies shall be found by dividing the net amount ascertained above by the number of shares in the said banking associations, institutions, or trust companies.

(4) If the State Board of Assessment shall have reasons to believe that the actual value of such shares of stock of such banking associations, institutions, or trust companies, as listed with it, is not the true value in money, then the said board shall ascertain such true value by such an examination and investigation as seems proper, and increase or reduce the value as so listed to such an amount as it ascertains to be the true value for the purposes of this section.

(5) The value of the capital stock of all such banking associations, institutions, and trust companies as found by the State Board of Assessment, in the manner herein prescribed, shall be certified to the county in which such bank or institution is located: *Provided*, that if any such banking association, institution, or trust company shall have one or more branches, the State Board of Assessment shall make an allocation of the value of the capital stock so found as between the parent and branch bank or banks or trust company in proportion to the deposits of the parent and branch bank, banks, or trust company, and certify the allocated values so found to the counties in which the parent and the branch bank, banks, or trust company are located.

(6) The taxes assessed upon the shares of stock of any such banking associations, institutions, or trust companies shall be paid by the cashier, secretary, treasurer, or other officer or officers thereof, and in the same manner and at the
